***Physics is only a prerequisite for Mercer and South. UGA requires one physical activity course. South requires two semesters of Anatomy and Physiology.**

Electives are only partially "elective" in that one course in each of the following categories is required and a choice is available only when multiple entries exist in a category:

Elective A ARTC 1100, MUSC 1100, THEA 1100, ENGL 2110

Elective B ANTH 1102, PSCY 1101, SOCI 1101, HIST 1111, HIST 1112

Elective C HIST 2111, HIST 2112

Elective D POLS 1101

Elective E ECON 2105

Elective F COMM 1110

Elective G MATH 2204

For South, elective A must be ENGL 2110 and elective B must be PSCY 1101.

For UGA, you must complete 9 hours of "World Languages and Culture." Courses that satisfy this requirement include: HIST 1111, HIST 1112, ANTH 1102, SOSOC 1101, and foreign language courses. For more information please refer to http://www.rx.uga.edu/admissions/pharmd_admissions.html

Summer Semester may be used for background coursework, such as MATH 1111 as an introduction to pre-calculus, or for adjusting curricular requirements on an individual basis.
